REPORT OF THE EVENT ORGANIZED

Academic year: 2025-2026	
Date & time of the event organized:	22-04-2026 & 12.00 PM - 1.00 PM
Title of the event:	Creative Writing (Story Building)
Brief Report of the event:	The faculty of English organized a "Story Building" event to commemorate English Language Day, celebrating the cultural impact and global significance of the English language in the fond memory of the birth anniversary of Shakespeare. The primary objective is to enhance students' narrative skills and collaborative creativity in a dynamic environment. The students were given hints and asked to construct a coherent, imaginative plot by adding sentences sequentially. This required participants to exercise quick thinking, precise vocabulary, and grammatical accuracy to ensure a unified transition between ideas. The students explored diverse genres, ranging from speculative fiction to contemporary social themes. The stories that were compiled by students showcased impressive linguistic interest. Such initiatives effectively foster communicative competence and student autonomy, transforming language learning into an engaging, practical experience.
