**(Join us to Celebrate Shakespeare's Birthday)**

All the I B.Tech. students are hereby informed that the ECHO Club, initiated by the Department of English, is organizing a contest titled "*Shakespeare's Sonnets Recitation*" on the eve of Shakespeare's Birth anniversary as part of the English Language Day celebrations.

For a Shakespearean sonnet recital event, you might consider the following rules and regulations:

- Sonnet Selection: Organizer's choice (Shakespeare sonnets)
- Time Limit: Each participant is typically given a set time limit to recite the chosen sonnet, usually around 2-3 minutes per recitation.
- Language: Recitations should be in English, following the original language of Shakespeare's sonnets.
- Judging Criteria: Judges may evaluate participants based on factors such as clarity, understanding, emotional connection, and overall performance.
- Adherence to Sonnet Form: While not always strictly enforced, participants may be encouraged to adhere to the traditional sonnet form of 14 lines with iambic pentameter and a rhyme scheme of ABAB CDCDEFEFGG.
- Respectful Conduct: Participants are expected to show respect for the poet and the audience, maintaining appropriate conduct throughout the event.
