

Student achievements

24 students of first year B. Tech were selected for AICTE Pragathi scholarship for the academic year 2018 – 2019. This scholarship is meant for girl students for pursuing graduation course. Each student is eligible to receive an amount of Rs 20,000/- every year.

I.B.Tech Mechanical Students Ch.Vivek and K.Prasanth presented a paper titled “Beaches and Coastal line Management –A Boon to Youth” at World Ocean Science Congress -2019 (WOSC) on 25 to 27 Feb at Andhra University,Vishakhapatnam under the guidance of T.Preethi Rangamani.

M.Kavitha,V.Hema Varshini and M.Spandan presented a Poster on “Physico-Chemical Analysis of Krishna water and Bio remedies of Krishna water” in National Seminar on Krishnaveeyam Vijyawada held at PB Siddhartha Arts and Science,Vijyawada. She secured 2nd prize for the paper presentation on 3rd Feb.2019

Six I.B. Tech students were selected for Jindal Scholarship Scheme 2018-2019 This scheme is being offered by Sitaram Jindal charitable foundation to Meritorious students to pursue technical courses for graduation and post-graduation levels in which each student received an amount of Rs.9,000/- for Semester.

Six I.B. Tech students were received Scholarship from Montessori old students charitable Trust in a function held at Vijayawada office on 20th Jan..2019 in which each student received an amount of Rs.15,000/- Scholarship.

Six I. B. Tech students were received Scholarship from KSN Prasad Foundation in function held at Vijayawada office on 25th Jan..2019 in which each student received an amount of Rs. 10,000/- Scholarship.

P.Sai Siddhartha Branch : CSE REG.NO:18501A0591 Got 1st prize in poster presentation at Fest held at Usharama College of Engineering and technology on 4th Jan.2019.

P.Sai Siddhartha Branch : CSE REG.NO:18501A0591 Got 2nd prize in poster presentation at Dhadush 2K18 held at Dhanekula Institute of Engineering Technology from 14-15 Dec.2018.

K.Naga Sai Reshma,A.Dayana Chowdary,and K.J.S.Lahari were participated in a poster presentation in PB Siddhartha College of Arts and Science on 18- 12- 2018. Title of the poster was “Nano materials for energy saving and energy storage:”.They got third prize.

A.Yastheswar,I.Karthik,A.Sai Reshma,and A.Navyasree were participated in a poster presentation in PB Siddhartha College of Arts and Science on 18- 12- 2018.Title of the poster was “Nano materials for energy saving and energy storage: magnetocaloric effect”.They got first prize.

K. Sai Sasank, K.Vinay,and K.Mohan Karthik were participated in a poster presentation in PB Siddhartha College of Arts and Science on 18- 12- 2018.Title of the poster was “Nano materials for optical devices”.They got second prize.

A.Abdul Gafoor, D. Jaswanth Babu, B.Chandrasheker Rao,G Venkata Sai Navya, and Teja were selected for nirankari rajmata scholarship scheme 2018-19 the scheme is begin offered by sant nirankari charitable foundation to meritorious students to pursue technical courses for graduation and post graduation levels.under this scheme each student receive RS 50000/- for the academic year 2018-19.

The following are the details of prize winners in the event TECHWIZED 2K18 organised by the Department of ECE,PVPSIT in association with IETE, Vijayawada.

S.No	Student	Branch	Name Of The Event	Prize
1	K.Rama Krishna	Eee-S2	Quiz -Beee	1 st Prize
2	V.Daniel	Eee-S2	Quiz -Beee	2 nd Prize
3	V.M.Subramanyam	Eee-S2	Workthe Network	3 rd Prize

Student activities

A. Dayana Chowdary and K.N.S. Reshma Chowdary of I B.Tech presented a Poster on "Nano Materials for Energy Storage and Energy Saving" in the UGC Sponsored Two-day National Seminar on “Emerging Materials for Green Environment” organized by Andhra Loyola College, Vijayawada on 5th&6th March, 2019 under the guidance of Dr A. Purnachandra Rao, Associate Professor.

A. Sai Reshma, A.Yatheswar and A. Navyasree of I B.Tech presented a Poster on "Nano Materials for Energy Storage and Energy Saving" in the UGC Sponsored Two-day National Seminar on 'Emerging Materials for Green Environment' organized by Andhra Loyola College, Vijayawada on 5th & 6th March, 2019 under the guidance of Dr N. Usha Rani.

On 3rd Feb.2019 in collaboration with Samskara Bharathi, M.Vikas(18501A0475) and P.V Srinivas(18501A0484) of 1 st B.tech ECE-2 exhibited a project on“Obstacle avoiding Car” at SRM-University,AP Tech Fest on Feb 28 th and Mar 1 st ,2019 under the guidance of P.Pavani

Sk.Azizul Usman (18501A0498), V.Phani Teja(18501A04B1) and Y.Yaswanth Reddy(18501A04C0) of 1st B.Tech ECE S-2 exhibited a project on “Third Eye for Blind” at SRM-University, AP., Tech Fest on Feb-28th & Mar-1st ,2019 under the guidance of G.Sreedevi.

S.Ramya Sree presented a paper titled, “Safeguarding Rivers Richness ” in National Seminar on Krishnaveneeyam on 3rd Feb.2019 in collaboration with Samskara Bharathi,Vijyawada held at PB Siddhartha Arts and Science,Vijyawada

M.Kavitha and M.Spandan presented a paper titled, “Bio Remedies of Krishna River” in National Seminar on Krishnaveneeyam on 3rd Feb.2019 in collaboration with Samskara Bharathi,Vijyawada held at PB Siddhartha Arts and Science,Vijyawada.

M.Sohith Venkata Sai, presented a paper titled, “Important places ware river flows and significance of the places” in National Seminar on Krishnaveneeyam on 3rd Feb.2019 in collaboration with Samskara Bharathi,Vijyawada held at PB Siddhartha Arts and Science,Vijyawada

N.Jaya Karthik , presented a paper titled, “Poets and Writers around river” in National Seminar on Krishnaveneeyam on 3rd Feb.2019 in collaboration with Samskara Bharathi,Vijyawada held at PB Siddhartha Arts and Science,Vijyawada. He secured 1st prize for the paper presentation.

A.Sai Reshma and A.Navya Sree, presented a paper titled, “ River pollution and Protection from the pollution” in National Seminar on Krishnaveneeyam on 3rd Feb.2019 in collaboration with Samskara Bharathi,Vijyawada held at PB Siddhartha Arts and Science,Vijyawada.

K.Naga Sai Reshma and K.Vinay, presented a paper titled, “Water resource Management” in National Seminar on Krishnaveneeyam on 3rd Feb.2019 in collaboration with Samskara Bharathi,Vijyawada held at PB Siddhartha Arts and Science,Vijyawada.

K.Sravya and K.Charitha , presented a paper titled, “Stop pollution quick Don’t make the waer sick” in National Seminar on Krishnaveneeyam on 3rd Feb.2019 in collaboration with Samskara Bharathi,Vijyawada held at PB Siddhartha Arts and Science,Vijyawada.

K.Rama Krishna, presented a paper titled, “Be a part of Solution not a part of pollution” in National Seminar on Krishnaveneeyam on 3rd Feb.2019 in collaboration with Samskara Bharathi,Vijyawada held at PB Siddhartha Arts and Science,Vijyawada

M.Surya Tej, presented a paper titled, “River Origin and its Geography” in National Seminar on Krishnaveneeyam on 3rd Feb.2019 in collaboration with Samskara Bharathi,Vijyawada held at PB Siddhartha Arts and Science,Vijyawada

APSSDC conducted certificate course on “Problem Solving skills Using C-Program” for I B. Tech II Semester – CSE,EEE,ECE,IT & Mech. (Total 59) students from 07.01.2019 to 12.01.2019.

K.Madhava Rao, K.Sai Snakaran &K.Prasanth(MECH) attended to a Poster presentation Title “Reducing alkalinity in ground water using moringa seeds extract – an eco-friendly treatment” in a Two day Symposium on “Challenges and opportunities in chemistry” at Bapatla College of Arts &Science,Bapatla Engineering college on29th & 30th Nov.2018.T.Preethirangamani given the required guidance for the poster preparation.

M.ABhinav (CSE), V.Hema Vaishanvi (CIVIL) attended to a Poster presentation Title “Physico- Chemical Analysis of polluted lake water (Penamaluru lake water)” in a Two day Symposium on Challenges and opportunities in chemistry at Bapatla College of Arts &Science, Bapatla Engineering college on29th & 30th Nov.2018.Y.Pavani given the required guidance for the poster preparation.

I.B.Tech Student attended a One week Yoga Awareness programme Coordinated by Yoga teacher .Sri. K.V.S.K. Murthy from 17.09.2018 to 22.09.2018 in our campus.

I B.Tech Students attended a Guest Lecture on “ Modern entrepreneur through innovative ideas” on 20.09.2018.The Resource person for this Guest Lecture is Dr.K.Pavan, CEO, Pavan Empower Solutions, Andhra Pradesh
