EXTERNAL PEER TEAM REPORT ON PERFORMANCE OF THE INSTITUTION

Members of External Peer Team:

Dr. A. Sarat Babu, Professor, Department of Chemical Engineering, NIT Warangal. Dr. A. Venu Gopal, Professor, Department of Mechanical Engineering, NIT Warangal.

1. Data of the Institution

- * Name of the Institution: Prasad V Potluri Siddhartha Institute of Technology
- Name of the Principal: Dr. K. Sivaji Babu
- Does the institution function from own campus: Yes
- Phone No. / Alternate phone No.: 08662581699 / 2583037
- * Mobile No.: 9490217899 / 9490958212
- Registered Email: principal@pvpsiddhartha.ac.in
 - Alternate Email: sivajibabu@pvpsiddhartha.ac.in
- Address: Devabhaktuni Ramalingeswara Rao Road

City/Town: Kanuru, Penamaluru, Vijayawada

State/UT: Andhra Pradesh

Pin Code: 520 007

- Year of Establishment: 1998
- ❖ Whether private or government or University maintained: Private / Self Financing
- Autonomous Status:
 - a) UGC granted Autonomous Status in the year 2012 for 6 years and in extended 2018.
 - b) UGC Autonomous status extended for a period of 6years up to 2024, Ref. No. F22-1/2017 (AC), dated 5.08.19.
- Type of Institution: Co-education/Men/Women:

Co-education

Location: Rural/Semi-urban/Urban:

Rural

Financial Status: Grants-in aid/ UGC 2f and 12 (B)/ Self-financing:

UGC 2f and 12 (B)/ Self-financing

15. In National Institutional Ranking Framework (NIRF) India rankings 2021 Engineering category the college is within the band of 201-250. The college has secured PLATINUM rating in AICTE-CII Survey for the academic year 2019 and for the academic year 2020 the report is submitted for evaluation. The Annual Quality Assurance Report for the year 2019-2020 was submitted to NAAC in August 2021.

- 16. Significant contributions made by IQAC during the current year
 - Took new initiatives to make on-line learning interesting during the COVID-19 lockdown period
 - Motivated faculty to published a good no. of papers in Scopus Indexed journals and also present papers at various conferences organized by the reputed institutions and Faculty published 92 papers in international conferences 05 in national conferences, 189 in various international journals, 73 UGC/Scopus/SCI journals, 39 books/books chapters
 - Motivated students to write GATE, GRE and CAT examinations
 - Offered training to the students to secure jobs in MNCs during the campus placement drives
 - Encouraged students to participate in co-curricular activities conducted by IETE, ISTE student forum and IEEE student chapter
 - Special training classes were conducted for third and final year students on programming -languages and soft skills.
 - Motivated Faculty members to register to various Certification courses.
 - Faculty members participated in STTP/ FDP/Seminars/workshops organised by reputed institutes like IIT, NIT and NITTR etc.
 - · Success rate is improved.
 - Number of Quality placements with high pay package is improved.
 - Internships to students with stipend from good quality companies are improved.
 - Quality publications are improved.
 - Number of doctorates in the department is increased.
 - Consumer club was started on 24th December 2020 to bring awareness to the students on Consumer rights, Consumer Protection acts and Consumer Forums.
 - Faculty members utilized seed money of Rupees 6.35 Lakhs provided by SAGTE.
 - Out of 82 Patents, 10 patents were filed, 60 Patents were published and 12 were granted.
 - 17. Quality Initiatives undertaken and activities performed during the year 2020-21 The various Quality initiatives by IQAC during the year for promoting quality culture are as follows:
 - > Implementation of Quality circles

A. S. Bolu SADO 11/12/24 11.12.2

- > Participation in the revision of curriculum and introduction of Bridge courses.
- ➤ Effective mentoring to improve the Success rate and Quality placements with high pay package, Paid Internships from good quality companies.
- > Motivated for increase in Quality publications and Number of doctorates
- > Took new initiatives to make on-line learning interesting during the COVID-19 lockdown period

Plan of action chalked out by the departments and IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

- 18. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to Assess the functioning? Yes Date: March 2019
- 19. Institutional data is submitted to AISHE for Year: 2019-20, Date of Submission: 04-02-2020

20. The Institution have Management Information System

The website maintains the profiles of students and staff. The student's records like internal and external examination marks, grades, daily attendance, previous question papers, credits details are maintained in the website. The fee particulars, examination schedules, timetables are also maintained in the website. The Course Structure, Syllabus, Academic Calendar is maintained in the website. It has Online Exam Fee Payment System for Autonomous Section. Also, website maintains the placement data at the end of every Academic Year, branch wise as well as year Website maintains the AP Skill Development Program Activities and professional activities like CSI, ACM, NPTEL and Web-Mail facility to the entire Faculty in this institution. All the Service Rules for Teaching & Non-Teaching Staff are displayed on the website.

21. Mentoring system

It is our policy to entertain the hopes and aspirations of students from different places. Many of our students are from rural areas and they lack proper guidance and motivation required for gaining technical knowledge and skill.

Mentoring of students thus, is an essential feature to render equitable service to all our students having varied background. Student-mentorship has the following aims:

- To enhance teacher-student contact hours
- To enhance students' academic performance and attendance
- To minimize student drop-out rates

A. S. Balu 11/12/21

- To identify and understand the status of slow learners and encourage advanced learners
- To render equitable service to students

Mentoring system is initiated in the institute. All faculty members act as mentors and are allotted 15-20 students each. They conduct meetings once in every 15 days and the student's performance is monitored through the Mentor Record, wherein the academic and co-curricular activities of the student are updated regularly during four years of study. The faculty provides counselling on academic, personal growth and career planning of the student. A progress report on academic performance and attendance is generated in every semester and is periodically sent to the parents. Critical cases will be discussed with HOD, parent and solution is arrived.

22. Student Council

The Institute has student council and students actively get involved in various committees like IQAC, Women's Cell, Literary and Cultural Committee, Library Committee, Grievance Redressal cell, Canteen Committee, sports committee, placement cell, Disciplinary Anti ragging, SC/ST CELL and members of various professional society chapters like IEEE, IGS, ISTE, CSI, and ACM. Members of student council share their Ideas, interests, concerns, opinions and suggestions to the respective faculty coordinator, make appropriate recommendation to the concerned authorities, and thus do be part to take measures for better academic environment. The committee meets at least twice in each semester.

23. Training and Placement:

The Training Placement officer works in perfect coordination with his team comprising the assistant Training and placement officer, soft skills, Reasoning Aptitude Trainers and a Faculty coordinator from each Department. Under the chairmanship of the Principal, Meetings are held at the beginning of the Academic year and the target is fixed. The mechanism reflects participation of all concerned leading to stakeholder satisfaction. The student of this Institution is qualitatively better, competent and confident to face the challenges of the Global- The Soft Skills, RA Trainers impart the Required Training, and Transfer the skill set and makes them ready to face the Recruitment Drives. Students have been successfully placed in reputed Industries. The feedback from the employers regarding the performance of the Selected Students is Encouraging.

24.Quality improvement strategies adopted by the institution for each of the following

Curriculum Development:

Curriculum is framed by following the model curriculum given by the statutory bodies like AICTE, APSCHE and the curriculum of IITs, NITs and some of the reputed autonomous institutions are taken into consideration according to industry needs. Stakeholders' feedback is taken for curriculum design. BOS members from Industry, Academia, Alumni and parents, review it. The curriculum is approved by BOS and finally ratified by the Academic Council.

A. S. Bales 11/12/21 11:12.24

Teaching and Learning:

Teaching and learning is strengthened by adopting course delivery methods like ICT and active teaching learning methods like Flip class, Role play etc. Learning Management System like MOODLE is being used for effective teaching learning. Some of the courses have been offered through MOOCs. Subjects.

Autonomous

- > All internal and external Question papers are set according to Bloom's Taxonomy covering all course outcomes. For external examination setting of question papers and evaluation of answer, scripts are done by outside members.
- > Cognitive levels and course outcomes of each question of the internal examinations are specified in the question paper (i.e. Blooms taxonomy is considered)
- > Two internal continuous assessment exams are conducted to evaluate the students in every semester as per the norms of the Institute.

Research and Development:

- > Research groups have been formed and meetings are conducted regularly to share ideas on the latest trends in research.
- > Research facilities of the department are being improved by procuring additional equipment such as EDM, 3D Printer, Ball Mill, Ultra Sonicator, and FFT Analyser.
- > Seed Money is provided to the faculty members to carry out their research with the emphasis on publishing Scopus journals.

Honors and recognitions received by teachers

- Fifty percent of the course fee is reimbursed by the management for obtaining AAA/AA rating in NPTEL courses
- Fifty percent membership fee is reimbursed by the management in professional bodies.
- Free transport facility to faculty is being provided.
- Incentives for quality research publications are resulting in substantial improvement in quality and quantity of publications.
- Merit scholarships, Gold medals, Best project and Innovative project are supported by management.
- Regular revision of curriculum with CBCS is also implemented.

Concluding Remarks:

- Obtaining NAAC A+ accreditation for 5 years is a significant achievement.
- Management support for quality publications and patents is observed to result in significant growth in quality and quantity of publications as well as publishing and grant of patents.
- It is observed that all the necessary systems and facilities are in place, and the faculty are given freedom to excel in Academic, Administrative and Research and Consultancy areas.
- The curriculum is being revised by following all the guidelines stipulated by AICTE and APSCHE. Minor and Honors programs have been initiated for the first time.
- Departments have established quality circles in deficient areas to improve the performance.
- There is a consistent and concerted effort by every stakeholder of the Institute to improve quality in all the key performance indicators.
- Allocating regular PhD fellowships to the institute may improve research output.
