Title of the program	YES!+ (Youth Empowerment & Skills)
Brief report on the event	We have collaborated with the Art of Living to host a YES+ (Youth Empowerment & Skills) program aimed at addressing the difficulties encountered by I.B.Tech. students studying Civil and Mechanical Engineering. Over the course of five days, with three-hour sessions each day, students have gained useful skills to succeed both academically and personally. This approach integrates mind-body techniques, discussions, and hands-on exercises to improve memory, focus, social skills, and performance under pressure. The Art of Living encourages a holistic approach to life, emphasizing social impact, spiritual development, and individual well-being. It offers methods to alleviate stress, promote self-awareness, and enhance mental, emotional, and physical health, such as Sudarshan Kriya, yoga, meditation, and emotional intelligence. The philosophy promotes global efforts in humanitarian aid, education, and ecology, while also encouraging peace and spiritual fulfilment.
